SPARTANS WILL.

A person stands on a gravel road, holding a Michigan State University flag. The flag features the Spartan helmet logo and the text "LIFE IS GOOD". The background shows a vast mountain range under a dramatic, cloudy sky with a rainbow. A large green speech bubble graphic is overlaid on the left side of the image.

AT MICHIGAN STATE UNIVERSITY, **YOUR** FUTURE COMES FIRST.

As a Spartan, you'll have access to incredible opportunities, renowned programs and top-ranked faculty, who are leading the way to new discoveries every day. We call our determination and drive to make a better world Spartans Will.

We're here to help every step of the way. No matter where you choose to take your MSU journey, you'll have a strong support network that is invested in your success.

With the resources of a big university at your fingertips and more than 1,000 student organizations, MSU is where you will make friends and make a difference.

Be part of the next generation of Spartans that will lead with courage, find meaningful solutions and put their unique talents to work for a better future.

IMAGINE **YOUR** TOMORROW

Amazing things happen here, and not by coincidence.

Spartans have perfected the art of pairing collaboration with unconventional thinking to create solutions that make a better tomorrow for everyone — like using transparent surfaces to harvest solar energy, creating the transportation of the future with autonomous vehicles, and challenging assumptions to increase our understanding of our world and each other.

Spartans have imagined all of these things, and then got to work making them a reality. What will you imagine?

Discover Spartan stories at msutoday.msu.edu.

Hayder Radha (second from the right), director of MSU's Connected and Autonomous Networked Vehicles for Active Safety, and his team research technologies like radar and lidar to make autonomous vehicles safer and smarter in any weather conditions.

SPARTANS WILL.

Our will is what unites us — across cultures, disciplines and decades. As we work to create a better future, Spartans use our unique talents and engage in powerful collaboration within our community and across the world.

11 Dedicated changemaker

1- ISA OLIVO is a sophomore majoring in comparative cultures and politics at James Madison College, with a double minor in Spanish and LGBT studies. She is an Intercultural Aide and the Racial Justice Educator at MSU's Gender and Sexuality Campus Center, working to create safe, inclusive and educational environments. They are proud to support Diversity, Equity and Inclusion work.

2- NATE HOWDER is a junior entomology major and president of Bug Club MSU, which they've helped grow from less than 10 to 300+ members. As an MSU Bug House volunteer, they create a welcoming, supportive environment for arthropod enthusiasts and work to change public perceptions of bugs to help combat the ongoing collapse of insect biodiversity.

3- DANNY CABALLERO is leading an effort to revolutionize how physics is taught at the college level. The associate professor helped create a student-first learning model that is attracting international attention while improving STEM courses for students at MSU.

4- RIYA PATEL is a junior majoring in supply chain management and an active member of the business fraternity Phi Chi Theta. She is also the marketing director at VIM Magazine, MSU's only student-run fashion, beauty and lifestyle publication. She was proud to help launch the VIM Collective, a name rebrand that created a sense of inclusion and community.

5- GEMMA REGUERA is an MSU microbiologist and professor. She and her team are known for discovering superpowers of microbes — from their ability to clean up nuclear waste to their instrumental role in harnessing energy from wastes and in biofuel production.

6- GERI ALUMIT ZELDES creates Emmy-winning social justice documentaries, involving MSU students throughout the process so they can develop storytelling and investigative reporting skills. The journalism professor was named among the "100 Most Influential Filipina Women in the World."

7- FLORENE MCGLOTHIAN-TAYLOR has been a veteran of the police force for 30+ years. She works to create an inclusive culture on campus in her role leading the MSU Police Department's

Inclusion and Anti-Bias Unit, which proactively addresses police and community-related issues associated with bias.

8- PIOTR PASIK is an instructor in MSU's department of kinesiology, teaching Wheelchair Sports. After obtaining three degrees from MSU, he traveled the world for his studies in the rehabilitation counseling program, exploring other cultures' perceptions of disabilities.

9- RANDOLPH RASCH is a professor in the College of Nursing, a distinguished scholar and family nurse practitioner. Taking inspiration from Yoda and Florence Nightingale, he encourages the next generation of Spartan nurses to be adventurous problem solvers.

10- LAUREN SAWYER is a senior environmental studies and sustainability major and member of the Honors College. As part of the Student Sustainability Leadership Council, she works on different projects with organizations across MSU to make campus more eco-friendly. She hopes to positively impact the world by empowering people to get involved with politics and advocate for their beliefs.

11- ALONYA JACKSON is a junior kinesiology major in the Honors College, who is involved in Collegiate Midnight Golf and the Big Sister Little Sister Mentoring Program. As a Spartan, she is most proud of leaving her comfort zone to accept numerous opportunities presented to her at MSU. She hopes to be a changemaker in her community and start a nonprofit organization.

BUILD **YOUR** OWN ADVENTURE

EDUCATION ABROAD

Studying theatre in London, system science in Antarctica, or sustainable agriculture in Sri Lanka — these are just a few of the more than 275 education abroad programs MSU offers in more than 60 countries on all continents. Students who study abroad can look forward to forming lifelong friendships and broadening their worldviews in meaningful ways.

educationabroad.isp.msu.edu

UNDERGRADUATE RESEARCH

More than ever, our world needs creative thinkers and doers. Students who participate in undergraduate research become just that — gaining experience, building key skills and working side by side with faculty. Choose from hundreds of individual and group research and creative activities or create your own independent project.

ENTREPRENEURSHIP

Across campus and beyond, MSU's expanding entrepreneurship opportunities — from business incubators and endowed funding sources to new academic programs and partnerships — are ensuring that Spartan undergraduates from all disciplines are prepared to lead and solve problems creatively.

entrepreneurship.msu.edu

From the moment you arrive on the MSU campus, you'll have the opportunity to pursue distinctive experiences that will shape you as a person and provide you with knowledge and skill sets employers value.

MSU's top-ranked programs, high-caliber opportunities, and inclusive, collaborative community enable students to create powerful, personalized paths and to work with the best in the world.

MAKER SPACES

Maker spaces across campus provide tools, resources and people that can help bring students' ideas to life. Explore campus and find 3-D printers and scanners, laser cutters, workshops, entrepreneurial co-working spaces, green screen studios, a state-of-the-art theatre scene shop and more.

MAJOR OPPORTUNITIES

Picking a major sets you on a course that can change your life. At MSU, you can create your own path that accommodates all of your interests, even if they change. Whether you've already discovered your passions or you still need time to explore, we provide the opportunities and resources to help you succeed.

Not sure what to study? Check out the career interest areas below — rather than majors, these are general categories that include majors. (You can also choose exploratory as a major on the MSU application.) To keep exploring, visit go.msu.edu/academics.

RESIDENTIAL COLLEGES

Residential colleges offer the best of both worlds: a small college environment at a Big Ten research university. You can study topics like public policy, natural science, and the arts and humanities while living and learning alongside students with similar interests. MSU's three degree-granting residential colleges are James Madison College, Lyman Briggs College, and the Residential College in the Arts and Humanities (RCAH).

HONORS COLLEGE

The Honors College offers unparalleled academic freedom and flexibility. Students have access to challenging upper-level courses accompanied by a range of special programs, research projects alongside top faculty, international study options, cultural and social activities, and community service opportunities.

ALYSSA SPACE, '16

After graduating with a degree in chemistry from the College of Natural Science, alumna Alyssa Space used her knowledge and lifelong passion for creating beauty products to become founder and CEO of her own business. In 2018, she launched ForHerCosmetics, a line of vegan, cruelty-free makeup designed for women of color. Space also visits schools to promote entrepreneurship and science, sharing chemical experiments and processes that occur in the cosmetic industry.

A NATIONAL LEADER IN ENTREPRENEURSHIP

The Princeton Review ranked MSU No. 6 on its list of top 50 undergraduate entrepreneurship programs in the nation in 2022, cementing MSU's position as an entrepreneurial hub and a leading institution for innovation.

RESOURCE CENTER FOR PERSONS WITH DISABILITIES

MSU is committed to removing barriers for all Spartans so they can achieve their full potential. The Resource Center for Persons with Disabilities provides solutions and resources to students, faculty, staff and visitors of all abilities throughout their experience at MSU.

rcpd.msu.edu

SERVICE-LEARNING

The Center for Service-Learning and Civic Engagement prepares students for lifelong civic and social responsibilities in an increasingly diverse and complex global society. Every year, thousands of students participate in community-engaged learning and service opportunities. These experiences give students new skills and a greater understanding of the world.

JORDYN CASTOR, '15

MSU alumna and Apple engineer Jordyn Castor is on a mission to develop accessible software for fellow persons with visual impairments. During her time at MSU, Castor was unstoppable, thanks in part to support from MSU's Resource Center for Persons with Disabilities, which provided the latest assistive technology as well as Braille textbooks. She earned a scholarship for a competitive internship on Wall Street and later interned at Apple, where she now works full time to bring meaningful digital experiences to all.

PICTURE YOURSELF HERE

MSU's home city of East Lansing has been listed among the 10 best college cities in the nation by Forbes, and named the most Instagrammed spot in Michigan by USA Today and BuzzFeed. Home to botanical gardens, art museums, performance venues, Big Ten athletics and recreational sports facilities, MSU puts you at the center of all the action.

MAKE YOURSELF AT HOME

MSU is one of the biggest, greenest campuses in the nation. Once you experience MSU in person, you'll understand why Spartans continue to think of the university as "home" long after they leave.

Stories above: 1. There are several ways to get around campus, including cars, bikes, buses, mopeds, electric skateboards and more! **2.** Celebrate your culture or learn about more cultures at the annual Spartan Remix celebration. **3.** Stay healthy by taking advantage of the three intramural facilities on campus. **4.** Big Ten sports are a big-time event at MSU. **5.** Whether you're vegan or carnivorous, MSU's award-winning culinary services team dishes up fresh, thoughtful cuisine at campus dining halls.

6. MSU's park-like campus is the perfect setting for an outdoor movie screening. **7.** MSU's 27 undergraduate residence halls are grouped into five Neighborhoods to offer students an abundance of living and dining options. **8.** Spartans appreciate the beauty of Michigan's four seasons. **9.** MSU's intramural sports and fitness program — one of the largest in the nation — makes it convenient for Spartans to stay active and healthy. **10.** The 300-member Spartan Marching Band puts on one of the best halftime shows in the country.

GET SMITTEN WITH THE MITTEN

Michigan is known for its Insta-worthy natural beauty and activities for all seasons, pictured here in images taken by our community. Gather up some friends and find a place that inspires you, from sand dunes to ski slopes to the many bodies of water found throughout the Mitten State.

EAST LANSING

AT THE HEART OF IT ALL

We understand the importance of a great location. And Michigan has many — from Great Lakes shorelines to big city skylines. In the heart of lower mid-Michigan, you'll find MSU in East Lansing, a globally-minded community that hums with activity and culture. Minutes from the capital city of Lansing, MSU is a car, bus or train ride away from other Michigan jewels like Detroit and Grand Rapids, and a few hours from Chicago.

SCHOLARSHIPS AND AID

Merit-based scholarships

All admitted students are automatically considered for scholarships. Scholarship selection criteria vary, and students can search all MSU scholarships through admissions.msu.edu/cost-aid/scholarships/first-year.

Students should apply by **Nov. 1** for maximum scholarship consideration. Awarding continues until mid-April.

Need-based aid

It is challenging for many families to pay full educational costs from current income or savings. If you require financial assistance, your first step is to submit the Free Application for Federal Student Aid (FAFSA) online as soon as possible after Oct. 1 of the year before you plan to enroll.

HOW TO APPLY

The application for admission will open in **August for fall 2024 applicants**. Admission to Michigan State University is competitive, but there are no minimum requirements. MSU strongly encourages a college preparatory curriculum in high school. Students are also advised to apply early.

1. Applications for admission are available at admissions.msu.edu/apply as well as through the Common Application. MSU has no preference for one type of application over another, but it's important that you **submit only one** per admissions cycle.
2. Have your official transcripts sent to MSU.
3. ACT/SAT optional: Students will indicate on the application whether they would like SAT or ACT exam scores included in their evaluation. MSU's ACT code is 2032; the SAT code is 1465.

Applying is easy! Simply scan the QR code and choose your applicant track to learn more.
