Welcome to Michigan State University!

You are officially a member of the Michigan State University Community of Scholars!

Our Students - Our Scholars - Our Stories

We are excited to share with you our story of scholarship and learning, inclusion and belonging, persistence and resilience, and passion and caring.

We are equally excited to learn from you - a scholar who has a unique story. Your scholarly journey begins when you attend your Academic Orientation Program (AOP). After AOP you will continue to author your story as you travel your Spartan Pathway to purpose.

As a scholar your story is part of a larger narrative around issues that will help you see why your work deserves the time and effort you are putting into it.

As a scholar you matter. As a scholar you are valued. As a scholar you belong.

- Lot 62W address:
  325 W Shaw Ln
  East Lansing, MI 48824

- Parking at meters, leased spaces, in areas other than visitor parking lots, or the lot designated for orientation parking will result in a parking violation and/or towing. The Academic Orientation and Transitions Office cannot accept responsibility for parking tickets and/or towing fees.

- Accessible parking and entrances are available at the entrances of Wells Hall. These spaces are available on a first-come, first-served basis. If you need assistance with parking, please ask during check-in.

- To pick up your student from AOP, please park in the lot designated for Orientation parking (Visitor Parking Lot) **62W**.

**NOTE: Due to Fall Move In and multiple large conventions taking place on campus and in the East Lansing area, there may be traffic delays. Please plan for additional travel time so students can check in and complete required activities prior to the first presentation.**
Accommodations at AOP for students with disabilities should be requested at least two weeks prior to your AOP date by contacting the Resource Center for Persons with Disabilities (RCPD). Many accommodations require more advanced planning and coordination, thus earlier notification is essential.

Confidential disability registration: myprofile.rcpd.msu.edu
Phone 517/884-RCPD (7273)
Website www.rcpd.msu.edu

Students with disabilities must provide medical/psychological documentation to support a substantial limitation of a major life activity. Visit the RCPD website for a more detailed explanation of required documentation.

If you need accommodations for a short-term condition, please notify the Academic Orientation and Transitions staff in advance of your program date.

Program Expectations and Regulations

The following may result in disciplinary action, including not being able to enroll in classes until all new students have attended AOP and are enrolled in courses, canceling your admission, deferring your admission until January 2019, and/or residential dismissal:

- Missing AOP or AOP sessions. Students are required to be on time for and attend all orientation activities.
- Leaving orientation. Students are expected to remain where orientation activities are taking place.
- Having family members/friends attend student orientation sessions with you. You must attend orientation sessions independently and meet independently with academic advisors to select and enroll in courses.

Emergency Information

It is unusual for a student to have an accident when attending the Academic Orientation Program. If a student is injured while the student is participating in AOP, Michigan State University reserves the right to call for an emergency vehicle, including an ambulance. If it is necessary to transport a student in the ambulance, the student will be responsible for meeting any expenses incurred.

Parent/Family Orientation Program (POP) Registration

A prior reservation is encouraged. There is no program fee. Please visit admissions.msu.edu/aop_assignment/pop/asp to view POP dates and reserve your spot.

Bringing Family Members To POP

The Parent/Family Orientation Program (POP) is a well-attended program. Limited space is available. Children are not permitted to attend the program, as it is not designed for a young audience.
Where Families Can Meet After AOP

Students will finish AOP at various times throughout the afternoon between 2:00 pm-6:00 pm. We encourage students to connect with their parents and family members via phone when they finish AOP. Parents and family members can meet their students in room B-115 Wells Hall.

We look forward to meeting you at AOP and POP!

Transfer Credit Information

- Students transferring credit to MSU are required to send an official transcript(s) from each institution they attended, as well as any/all external exam reports/transcripts prior to their scheduled orientation date so a transfer credit evaluation can be completed. If you are enrolled in classes this summer semester, please provide us with a list of courses in progress. You cannot meet with an academic advisor and enroll for classes at AOP unless we have copies of all of your transcripts.

- To view your transfer credit information in the form of a Degree Progress Report go to degnav.msu.edu. You will need your MSU NetID and password to access your file. Note that the Degree Progress Report will be available once all your transcripts have been received and evaluated by Michigan State.

- For information regarding transfer credit equivalencies, visit transfer.msu.edu

- Students are encouraged to bring a course catalog(s) from each institution of higher education they attended prior to enrolling at Michigan State University. We also strongly recommend that you bring syllabi from each course you are transferring to MSU. Academic advisors often have questions about the content of courses being transferred. The course catalog and/or course syllabi will help during the academic advising process.
