Our Students - Our Scholars - Our Stories

We are excited to share with you our story of scholarship and learning, inclusion and belonging, persistence and resilience, and passion and caring.

We are equally excited to learn from you - a scholar who has a unique story. Your scholarly journey begins when you attend your Academic Orientation Program (AOP). After AOP you will continue to author your story as you travel your Spartan Pathway in order to achieve your goals.

As a scholar your story is part of a larger narrative around issues that will help you see why your work deserves the time and effort you are putting into it.

As a scholar you matter. As a scholar you are valued. As a scholar you belong.

Accommodating Students with Disabilities

• Accommodations at AOP for students with disabilities should be requested at least two weeks prior to your AOP date by contacting the Resource Center for Persons with Disabilities (RCPD). Many accommodations require more advanced planning and coordination, thus earlier notification is essential.

• Confidential disability registration: myprofile.rcpd.msu.edu
  Phone  517/884-RCPD (7273)
  Website  www.rcpd.msu.edu

• Students with disabilities must provide medical/psychological documentation to support a substantial limitation of a major life activity. Visit the RCPD website for a more detailed explanation of required documentation.

• The Date with State evening session includes extensive walking.

If you need accommodations for a short-term condition, please notify the Academic Orientation and Transitions staff in advance of your program date.

Students Helping Students

• Michigan State University creates a sense of community that allows all of us to feel like a family. Part of being a member of the Spartan family means looking out for our fellow Spartans. We need your help!

• We encourage you to bring a non-perishable food or personal care item with you to AOP, which will be donated to the MSU Student Food Bank. All donated items will be given to MSU students.

• The MSU Student Food Bank was established in 1993 to help students and their families. Their motto is “Students helping students.”

• Suggested items: non-perishable food, toothbrushes, toothpaste, soap, shampoo, deodorant, cleaning supplies, detergent, paper towel, toilet paper, tissues, etc.

• More than 7,000 students attend AOP each summer. If each student brings one item, we have the opportunity to make an incredible impact on our MSU community.
