TEST OPTIONAL

Prospective students applying for fall 2021 admission will have the option to apply without submitting an ACT or SAT score. MSU is making this change as a result of test-taking disruptions due to the novel coronavirus. Students will indicate on the application whether they would like SAT or ACT exam scores included in their evaluation. Once an application is submitted, the test-optional choice is confirmed and cannot be changed. Applicants who would like to have test scores considered will have the ability to self-report scores on the application. Students who are admitted and choose to enroll at MSU will be required to provide official test results to the university.

VIRTUAL VISITS

Since we can't meet in person like we usually do, we've moved our campus visit program online. Students can join us virtually as we roll out the green carpet and show what life is like as a Spartan. Students can learn more about our options and sign up at admissions.msu.edu/visit.
